

California Water Service Group Board of Directors Declares 292nd Consecutive Quarterly Dividend and 51st Consecutive Annual Dividend Increase

SAN JOSE, Calif., Jan. 31, 2018 (GLOBE NEWSWIRE) -- At its meeting today, the California Water Service Group (NYSE:CWT) Board of Directors declared the company's 292nd consecutive quarterly dividend, increasing the annual dividend from \$0.72 to \$0.75. This represents the company's 51st consecutive annual dividend increase. The quarterly dividend of \$0.1875 per common share will be payable on February 23, 2018, to stockholders of record on February 12, 2018.

California Water Service Group is the parent company of California Water Service, Washington Water Service, New Mexico Water Service, Hawaii Water Service, CWS Utility Services, and HWS Utility Services. Together, these companies provide regulated and nonregulated water service to nearly 2 million people in California, Washington, New Mexico, and Hawaii. California Water Service Group's common stock trades on the New York Stock Exchange under the symbol "CWT." Additional information is available online at <u>www.calwatergroup.com</u>.

This news release contains forward-looking statements within the meaning established by the Private Securities Litigation Reform Act of 1995 ("Act"). The forward-looking statements are intended to qualify under provisions of the federal securities laws for "safe harbor" treatment established by the Act. Forward-looking statements are based on currently available information, expectations, estimates, assumptions and projections, and management's judgment about the Company, the water utility industry and general economic conditions. Such words as would, expects, intends, plans, believes, estimates, assumes, anticipates, projects, predicts, forecasts or variations of such words or similar expressions are intended to identify forward-looking statements. The forward-looking statements are not guarantees of future performance. They are subject to uncertainty and changes in circumstances. Actual results may vary materially from what is contained in a forwardlooking statement. Factors that may cause a result different than expected or anticipated include, but are not limited to: governmental and regulatory commissions' decisions; consequences of eminent domain actions relating to our water systems; changes in regulatory commissions' policies and procedures; the timeliness of regulatory commissions' actions concerning rate relief; inability to renew leases to operate city water systems on beneficial terms; changes in California State Water Resources Control Board water quality standards; changes in environmental compliance and water quality requirements; electric power interruptions; housing and customer growth trends; the impact of opposition to rate increases; our ability to recover costs; availability of water supplies; issues with the implementation, maintenance or security of our information technology systems; changes in customer water use patterns and the effects of conservation; the impact of weather, climate, natural disasters and diseases on water quality, water availability, water sales and operating

results; civil disturbances or terrorist threats or acts, or apprehension about the possible future occurrences of acts of this type; labor relations matters as we negotiate with the unions; restrictive covenants in or changes to the credit ratings on our current or future debt that could increase our financing costs or affect our ability to borrow, make payments on debt or pay dividends; and, other risks and unforeseen events. When considering forwardlooking statements, you should keep in mind the cautionary statements included in this paragraph, as well as the annual 10-K, Quarterly 10-Q, and other reports filed from time-totime with the Securities and Exchange Commission (SEC). The Company assumes no obligation to provide public updates of forward-looking statements.
