California Water Service Group Responds to SJW Group's Deceptive Letter to Stockholders

SAN JOSE, Calif.--(BUSINESS WIRE)-- California Water Service Group (NYSE:CWT) today issued the following statement in response to a stockholder letter that the Board of Directors of SJW Group (NYSE:SJW) made public today.

"It's unfortunate that SJW's Board of Directors is continuing to resort to fear-mongering and hyperbole, while ignoring the facts, to pressure its stockholders into accepting an inferior no-premium transaction with Connecticut Water that puts squarely on its investors the risk of operating two separate water systems 3,000 miles apart. It defies credulity for SJW's Board to characterize the certain value that our all-cash proposal will deliver as 'illusory' while touting that its all-stock merger with Connecticut Water will deliver 'concrete' value. SJW stockholders deserve actual details and quantification of such 'concrete' value in lieu of the vague aspirational statements that the SJW Board continues to make.

"If SJW's Board prefers a stock transaction, we previously gave them that option. Last September, we made a private offer for stock or cash, which the SJW Board summarily rejected with no engagement. It's curious that SJW failed to disclose this highly material fact in its preliminary proxy statement – and continues to hide it from its stockholders. SJW's stockholders deserve better from their Board.

"The facts are that our \$68.25 per share all-cash proposal exceeds SJW's all-time high closing share price, represents a 30% premium to SJW's share price at the time of California Water's April 4, 2018 proposal and represents a 20% premium to SJW's closing stock price on April 25, the day before we made our offer public.

"It's time for SJW's Board to stop making baseless assertions. We again invite SJW's Board to engage with us to create value for all of our stakeholders, instead of continuing with a misinformation campaign that only hurts the stockholders, employees, customers and local communities of both companies."
