# Michael B. Luu Named Vice President of Customer Service & Information Technology by California Water Service Group

SAN JOSE, CA -- (Marketwired) -- 07/31/13 -- California Water Service Group (NYSE: CWT) today announced the selection of Michael B. Luu as Vice President of Customer Service & Information Technology, effective August 1, 2013.

Luu has served as Interim Vice President of Customer Service & Information Technology since February 2013.

Since joining the company in 1999, Luu has served in a number of capacities, including Information Technology Applications Manager, Director of Information Technology, Enterprise Systems, and Acting Manager of the Los Altos District. He holds a Master of Business Administration Degree and a Bachelor of Science Degree in Management Information Systems from San Jose State University. He is also a Certified Project Manager, a Certified Software Quality Engineer, and a Certified Water Treatment Operator.

"Michael has excelled in every position he has held at Cal Water. He has demonstrated himself to be a top performer and excellent leader, and I'm very pleased to have him on our Officer team," said Peter C. Nelson, Chairman and Chief Executive Officer.

"Technology plays a critical role in serving our customers, and we are fortunate to have someone of Michael's caliber to lead these two critical functions," Nelson said.

California Water Service Group is the parent company of California Water Service Company, Washington Water Service Company, New Mexico Water Service Company, Hawaii Water Service Company, Inc., CWS Utility Services, and HWS Utility Services. Together these companies provide regulated and non-regulated water service to approximately 2 million people in more than 100 California, Washington, New Mexico, and Hawaii communities. Group's common stock trades on the New York Stock Exchange under the symbol "CWT." Additional information is available at our web site at [www.calwatergroup.com](http://www.calwatergroup.com).

*This news release contains forward-looking statements within the meaning established by the Private Securities Litigation Reform Act of 1995 ("Act"). The forward-looking statements are intended to qualify under provisions of the federal securities laws for "safe harbor" treatment established by the Act. Forward-looking statements are based on currently available information, expectations, estimates, assumptions and projections, and management's judgment about the Company, the water utility industry and general economic conditions. Such words as expects, intends, plans, believes, estimates, assumes, anticipates, projects, predicts, forecasts or variations of such words or similar expressions are intended to identify forward-looking statements. The forward-looking statements are not*

*guarantees of future performance. They are subject to uncertainty and changes in circumstances. Actual results may vary materially from what is contained in a forward-looking statement. Factors that may cause a result different than expected or anticipated include, but are not limited to: governmental and regulatory commissions' decisions; changes in regulatory commissions' policies and procedures; the timeliness of regulatory commissions' actions concerning rate relief; new legislation; electric power interruptions; increases in suppliers' prices and the availability of supplies including water and power; fluctuations in interest rates; changes in environmental compliance and water quality requirements; acquisitions and our ability to successfully integrate acquired companies; the ability to successfully implement business plans; changes in customer water use patterns; the impact of weather on water sales and operating results; access to sufficient capital on satisfactory terms; civil disturbances or terrorist threats or acts, or apprehension about the possible future occurrences of acts of this type; the involvement of the United States in war or other hostilities; restrictive covenants in or changes to the credit ratings on our current or future debt that could increase our financing costs or affect our ability to borrow, make payments on debt or pay dividends; and, other risks and unforeseen events. When considering forward-looking statements, you should keep in mind the cautionary statements included in this paragraph, as well as the annual 10-K, Quarterly 10-Q, and other reports filed from time-to-time with the Securities and Exchange Commission (SEC). The Company assumes no obligation to provide public updates of forward-looking statements.*
