CALIFORNIA WATER SERVICE GROUP NAMES NEW
VICE PRESIDENT, CHIEF FINANCIAL OFFICER AND TREASURER

SAN JOSE, CA - California Water Service Group today announced the selection of Martin A. Kropelnicki as its Vice President, Chief Financial Officer and Treasurer, effective March 13, 2006. He will succeed John S. Tootle, who will resume responsibilities as in-house corporate counsel after filling the position on an interim basis since October 2005.

"Marty has a great deal of expertise and experience, and he is eminently qualified for the position. He has had a distinguished career and I am confident that he will fill this important role capably and be a great asset to our Company," said President and Chief Executive Officer Peter C. Nelson.

Kropelnicki, who is 39 years-old, comes to California Water Service Group from Berkeley, California-based PowerLight Corporation, a leading global provider and installer of large-scale solar electric systems and energy efficiency services. As Chief Financial Officer of PowerLight, his responsibilities include finance and accounting, human resources, information technology, and facilities.

Prior to joining PowerLight, Kropelnicki served as Chief Financial Officer-Executive Vice President of Corporate Services and Corporate Secretary for Hall Kinion & Associates, a multi-national staffing and consulting company. During his seven-year tenure at Hall Kinion, his responsibilities included finance and accounting, compliance, investor relations, mergers & acquisitions, legal and human resources. In addition, Kropelnicki successfully managed the initial public offering and secondary offering. Hall Kinion was successfully acquired by KFORCE Inc. in June 2005.

Earlier in his career, Kropelnicki held executive- and management-level positions at Deloitte & Touche Consulting Group and Pacific Gas and Electric Company. He began his professional career as an Accountant at Hewlett Packard in Palo Alto California.

Kropelnicki holds a Bachelor of Arts Degree and Master of Arts Degree in Business Economics from San Jose State University. He currently teaches investment management as a part-time faculty member at his alma mater.

California Water Service Group is the parent company of California Water Service Company, Washington Water Service Company, New Mexico Water Service Company, and CWS Utility Services. The subsidiaries provide regulated and

non-regulated water service to more than 2 million people in 100 communities. The Company's common stock trades on the New York Stock Exchange under the symbol "CWT". Additional information is available at the Company's web site at www.calwatergroup.com.

This news release contains forward-looking statements within the meaning established by the Private Securities Litigation Reform Act of 1995 ("Act"). The forward-looking statements are intended to qualify under provisions of the federal securities laws for "safe harbor" treatment established by the Act. Forward-looking statements are based on currently available information, expectations, estimates, assumptions and projections, and management's judgment about the Company, the water utility industry and general economic conditions. Such words as expects, intends, plans, believes, estimates, assumes, anticipates, projects, predicts, forecasts or variations of such words or similar expressions are intended to identify forward-looking statements. The forward-looking statements are not guarantees of future performance. They are subject to uncertainty and changes in circumstances. Actual results may vary materially from what is contained in a forward-looking statement. Factors that may cause a result different than expected or anticipated include: governmental and regulatory commissions' decisions, including decisions on proper disposition of property; changes in regulatory commissions' policies and procedures; the timeliness of regulatory commissions' actions concerning rate relief; new legislation; changes in accounting valuations and estimates; the ability to satisfy requirements related to the Sarbanes-Oxley Act and other regulations on internal controls; electric power interruptions; increases in suppliers' prices and the availability of supplies including water and power; fluctuations in interest rates; changes in environmental compliance and water quality requirements; acquisitions and our ability to successfully integrate acquired companies; the ability to successfully implement business plans; changes in customer water use patterns; the impact of weather on water sales and operating results; access to sufficient capital on satisfactory terms; civil disturbances or terrorist threats or acts, or apprehension about the possible future occurrences of acts of this type; the involvement of the United States in war or other hostilities; restrictive covenants in or changes to the credit ratings on our current or future debt that could increase our financing costs or affect our ability to borrow, make payments on debt or pay dividends; and, other risks and unforeseen events. When considering forward-looking statements, you should keep in mind the cautionary statements included in this paragraph. The Company assumes no obligation to provide public updates of forward-looking statements.
